

Sketchbook Grading Criteria

5 points = Completed the sketch assignment. It is obvious a lot of time was spent on the sketch because of the quality of your creativity and thought processes and the extra details and effort.

4 points = Completed the sketch with some effort, creativity, and details.

3 points = Completed the sketch with little effort, creativity, and details.

2 points = Failure to fully complete the sketch. No evidence of extra-time or thought.

1 points = Sketch does not follow the criteria. No effort involved.

0 points = No work completed.

* Please remember that your sketchbook is about 30% of your quarterly grade!
