Dear Parents,

Since we will be gone all day Friday, your child does not need to bring his/her school bag. They must bring \$7.00 (exactly) and a sack lunch/drink. Please have your child wear the red T-shirt from the fall program. The Washington Pavilion suggested wearing look alike shirts. Thanks!

Words to ask your child to read to you: Bo boat cove  
go goes hope Joe no Rose  
toe hole home Joan Joan's joke oak poke  
pokes

Your children are like tiny sprouts that need watering. They are just starting to be able to read lots of words. They need lots and lots of practice over the summer. They should try to read at least fifteen minutes five times every week. The more reading they do, the more they will remember and not forget what they have learned!

Sincerely,

Mrs. Vos
