

5th/6th LA and Spelling for May 8-12

Dear Parents of 5th and 6th Grade Students,

We are finished with our spelling curriculum for the year so there are no spelling words to study. (Much to the students' dismay:)

Please take the time to ask your son or daughter about the recent essay that they completed entitled, "A Life that Honors God Treats Others with Respect." These essays were very well written! The students read them aloud to the class this past week and wrote a question concerning each one that they listened to. This week we will be discussing some of the questions that came to mind concerning the respect, or lack of, that effects ourselves, families, friends, others in general, God, and all of eternity.

Then, we will begin a Response to Literature unit. We will study parts of the Biblical book of Proverbs and write responses to our study.

Have a great week!
Blessings,
Mrs. Van Gelder
