

Ireton Christian School  
April 16, 2018

Dear Parents,

The children are reading very nicely and they are doing their math facts quit well. Second graders will begin three-digit subtraction this week, so that is why we worked so hard on knowing our math facts! We need to keep up the good work for 27 more days!!

Bible stories for the week:

Monday	Teaching in the Temple	Matthew 21:23-32
Tuesday	Taxes and Love	Matthew 22:15-22; 34-40
Wednesday	Plot Against Jesus	Matthew 26:1-16
Thursday	Jesus As Servant	Luke 22:7-13; John 13:1-17

Show and Tell: favorite stuffed animal

The 3<sup>rd</sup>-8<sup>th</sup> graders have a Science Fair and singing program on Friday, April 20. Our art will be in the Art Fair section, but you do not need to attend unless you want to attend.

A Mother's Day Tea will be held on May 10 at 2:30pm. All grandmothers, mothers, aunts, women who are interested are invited to the program given by K-2. Be sure to reserve that afternoon for the program. After the program and "tea" the children can go home with you.

Have a wonderful week!! Thank the Lord for our good health and safety for travels this year. We praise God for all of the wonderful learning the children have experienced! Keep it up!

Happy Spring☺,  
Mrs. Goslinga
