

CONCESSION STAND SCHEDULE

2018-2019

It's that time of year when the basketball season is starting, which means the Jr. High families take turns working at the concession stand.

1st shift works during the girl's game and should: be ready to go by 3:45, get the cash box from Mr. Schoonhoven's office (from his desk), start making the popcorn, and set out the food.

2nd shift works during the boy's game and should: put the food away, clean the popcorn popper and put the food and popper away, and return the cash box to Mr. Schoonhoven's office (set on his desk).

The popcorn popper and snacks are kept in the closet area of the music room.

Please remember that there should be an adult in the stand at all times.

If there are any questions or problems, please contact Benjy Weida. *Thanks!*
