

Ireton Christian School
May 15, 2017

Dear Parents,

We are staying busy with lots of learning every day. Thanks for returning the Math homework for the second graders. You will still find homework for this week, as we still have some mistakes.

Bible stories:

Monday	Brave Daniel's Training	Daniel 1
Tuesday	Nebuchadnezzar's Dream	Daniel 2
Wednesday	Three Guys in a Furnace	Daniel 3
Thursday	Poor Daniel Sees Lions	Daniel 6

Show and Tell: an activity they hope to do this summer

Please wear the chapel t-shirts on Thursday and Friday. On Thursday we will be in the Tulip Festival parade at 2:00pm and on Friday we will have chapel.

We will have a Science test on Thursday. The review sheet will come home on Tuesday. PLEASE study this for 2 days. Your child needs to learn how to study for harder tests. We try to learn most of it in school so it should be easy to study, but they need to learn how to memorize on their own (especially 2nd graders).

Monday, May 22 your child needs to come to school with a lunch as we are going to Orange City for the day. We will be gone all day. May 23 we have graduation at night. Your child is expected to be present to sing several songs and congratulate the graduates.

Library books are due in school by May 19.

There are lots of things to remember. I hope you can keep it all straight. Keep on checking the school newsletter.

Happy May,
Mrs. Goslinga
