Dear Parents,

Thanks for coming to the Mother's Day program on Thursday. Graduation is on May 22 at 7:00. All of the children are needed to sing our songs of the month that night.

Show and Tell: an activity they hope to do this summer

Tuesday we will have the K-5 track meet beginning at 3:00. Awards and supper will follow. Hopefully it does not rain.

Thursday K-2nd will go to Sioux Falls. We will visit the zoo and Butterfly House. Your child will need to take along their own lunch. Please bring a drink with a closing lid or one that can be consumed in one time. We will be taking cars, so we want to avoid spilled pop or food in cars.

Library books are due in school by Tuesday, May 15.

There are lots of things to remember. I hope you can keep it all straight. Keep on checking the school newsletter.

Happy May,
Mrs. Goslinga
