

**IRETON CHRISTIAN SCHOOL CLEANING LIST 2019**  
**TUESDAY, MAY 28 AND WEDNESDAY, MAY 29**  
**STARTING AT 6:30 p.m. – UNTIL DONE**

Here is the school cleaning schedule. We understand that schedules are very busy for everyone, but this is a huge event that is important for the school. Your children have been very busy this year, not just learning, but leaving behind fingerprints, shoe marks, tape, gum, etc., now we need to “clean it up”. **When you are done cleaning in your assigned area, please go and find another area that needs help.** Many hands will make the evening’s work go that much smoother. Each person is asked to bring rags and a bucket. Each team should also have a vacuum, ladder, and a wall broom. **Remember, each adult family member listed is expected to be there to help.** A lunch will be provided at the end of the cleaning event. If you have any questions, contact Aftan Koopmans.
