

# SEVENTH & EIGHTH GRADE

## What we do!

We are learning so many things this year! In Bible we are studying the New Testament, learning about the life of Jesus and the early Church.

In Science, we are learning about how God has created our human bodies so intricately! We are studying about each of the systems.

Math brings about all the fractions, graphing, factoring, and problem solving that a middle school student should know!

In Wit & Wisdom, we are reading the book All Quiet on the Western Front, which is about World War I.

## Meet Our Class

### 7th Grade

- Alex Bos
- Noah De Kam
- Zachary Dekkers
- Mason Hooyer
- Mason Kramer
- Clay Richardson

### 8th Grade

- Emilee Butcher
- Kayla Fedders
- Ty Hoekstra
- Rylee Hoogland
- Cooper Rens
- Emmett Rens
- Dana Scholten
- Eli Wielenga
- Zoey Zomermaand

## What we are looking forward to!

**NEXT SPRING, WE ARE TAKING A FIELD TRIP TO THE ARK AND CREATION MUSEUM IN KENTUCKY! WE ARE EXCITED TO BE GOING ON A FIELD TRIP TO TO EXPLORE AND DEEPEN OUR UNDERSTANDING OF BIBLICAL HISTORY AND THE WONDERS OF GOD'S CREATION!**
