Sock DONATION

Vasya and Maranda (Hoogland) Heytsi along with their six children are missionaries in Ukraine. In the month of January we at ICS are studying about the helmet of salvation. When we asked Maranda if they need anything such as hats (helmets), she said their community could use high-quality socks instead, as they are unable to get them in Ukraine. So we are going to be collecting high-quality adult and children socks to serve the families in Ukraine.

Please bring in high quality socks by January 16!

We will package them, pray over them and send them to Ukraine!
