Classroom Highlights

We are so thankful to have such a large preschool class this year! These 18 little ones sure do bring a whole lot of joy (and noise) to our school community! It's hard to believe that we are halfway through our preschool year already. The growth that these students have made is tremendous-- and the best part is they are having fun while they continue to grow! Some of our favorite memories include our field trip to Fields of Fun, creating art, singing songs, playing in the fresh snow, and forming new friendships! One thing that the preschoolers have been working hard at is their ABC Bible verses. They are memorizing one verse for each letter in the alphabet this year. We recite them almost everyday, and it has become a favorite time of each day for the preschoolers!

Meet the Teacher & Para

My name is Karissa Roghair and I am the preschool teacher here at ICS. This is my first year of teaching, and I feel so blessed to start my career in such a wonderful school. I graduated from Dordt University in May and currently live in Sioux Center. When I'm not teaching, I love traveling, spending time with my family, and baking. I also enjoy my side-gig of teaching a cardio drumming class (POUND) at Robin's School of Dance & Fitness in Sioux Center! In my first couple months at ICS, I have enjoyed getting to know this tight-knit community of families and fellow coworkers! The work of God is so very evident in our school and I feel so grateful to be a small part of it!

My name is Rebecca Plendl and I am the preschool para. This is my first year at ICS and I am so very blessed to be at a school with many great coworkers. When I am not at school, you can find me on our farm in Maurice or working part-time at Pat's Jewelry in Sioux Center. I am so very blessed to be a part of this great school.

Hooray for Pre-K!
